## THE M.A.I.N. CAUSES OF WWI

<b>M</b>	<b>A</b>
<b>I</b>	<b>N</b>

Who was Gavrilo Princip, and why did he assassinate Archduke Franz Ferdinand and his wife?

How did such a local event explode into a massive multi-national war in Europe?

1. Austria-Hungary declared war on \_\_\_\_\_ for the assassination.
2. This made \_\_\_\_\_ nervous, who had always been afraid of being attacked on both sides by France and Serbia's friend and ally, \_\_\_\_\_, who began to mobilize to defend Serbia.
3. To prevent this from happening, Germany put the \_\_\_\_\_ plan into effect and attacked \_\_\_\_\_ on the way to \_\_\_\_\_.
4. This brought \_\_\_\_\_ into the war, who was allied with France and Belgium.

### MAPPING THE GREAT WAR

**INSTRUCTIONS:** Use the map on page 158 in your book.

#### The Triple Alliance

1. Label each of the Central Powers ("Triple Alliance"): **Germany, Austria-Hungary, the Ottoman Empire, Bulgaria**
2. Choose a color and fill in all the Central Powers with that color.
3. Draw in a large red arrow that shows the movement Germany planned on making at the start of the war.

#### The Triple Entente

4. Label each of the Allied Powers ("Triple Entente"): **Great Britain (including Ireland), France, Belgium, Russia, Italy, Romania, Serbia, Greece, Montenegro, Portugal**
5. Choose a different color, and fill in all the Allied Powers with that color.
6. Label the city of **Sarajevo**, and draw a small explosion there. 

#### Neutral Powers

7. Label each of the Neutral Powers: **Spain, Switzerland, The Netherlands, Denmark, Norway, and Sweden.** Choose a third color to fill those places in.
8. Finally, make a note to the west (the left side of the map) indicating that the USA is a neutral power. The USA would remain neutral until late into the war.
