#### Part 2: Questions

Choose **THREE** of the short essay questions to answer. Make sure you indicate which essay you are answering. Essays must be at least 2 paragraphs long. If necessary, feel free to use outside resources to help, just provide a citation as to where you got the information.

1. Describe the influence of Chinese culture during the three periods of Japanese history (Taika, Nara & Heian). Give specific examples.
2. Describe the Taika Reforms in detail and why did they fail? Be specific.
3. Describe the process that led to the decline of imperial power in Japan and the rise of the Shoguns. Make sure you discuss the warrior elites in Japan at this time and the growing isolation of the imperial court.
4. Describe court life in the Heian period. How does it compare to the European court life (during the same period). (use Chapter 10)
5. Give some examples of social, political and economic institutions during the Bakufu Period/Age. Be sure to describe them in detail.
6. Describe the relationship of Korea to China and how was she able to "maintain...independence" from China until the early 1900s.
7. What classes and institutions were largely "sinified" in Korea and Vietnam and why?
8. How was Vietnam able to remain independent of China?
